Job Search

To find your ideal start, or next career challenge

Apply to be part of the Skills Pathway Project and we'll find the right restaurant and registered training organisation to get you underway.

Interested in hospitality, how about a **Certificate III in Hospitality (Front of House)?**

This course is for those who are interested in entering the hospitality industry. You will learn about the industry and develop your customer service and communication skills, along with a wide range of skills relevant to food and beverage service, accommodation services, gaming or other hospitality services.

Importantly, the online tools at Discover Hospitality will provide all the on-going support you need throughout your apprenticeship.

You will be able to track training progression and milestones in your very own Skills Passport. Free, convenient and secure, managing your career has never been easier.
